- Creativity
- Meticulous to work under pressure
- Diplomatic and good human relation.
- Time management.

❖ IT SKILLS

- Writing functional codes
- Dashboard report building
- Data Wrangling
- Data Modeling and Evaluation.
- Machine Learning.
- Web Scrapping
- Data Visualization and Communication.
- Report writing
- RDBMS (Querying, Joining)

❖ TOOLS

- Python and SQL
- Microsoft Power BI
- Github
- Microsoft Word and Excel
- Microsoft Azure (Machine learning and Data analytics)
- Amazon Web Services (Sagemaker, Quicksight)

❖ INTERESTS

Swimming, Surfing the net, Cycling,

❖ EXPERIENCE

- Stutern Graduate Accelerator
May 2020 – August 2020

Data Science Trainee

In my job role as a Data Science Trainee:

I scraped data from websites and mined from databases. I performed visualization report and dashboard building using tools like Microsoft Power BI. I also wrote functional optimizable reusable codes which does effective data transformation, feature engineering, predictive and descriptive data modeling. I recognized database and assisted services during application management. I provided and received timely updates through internal/external relevant parties.

- Lessos Group of Schools
October 2018 – October 2019

Administrative Manager

I was charged with managing day to day activities of the staffs and students while making sure each staff discharges their duty properly. I made and ensured adequate operational plans which guides the roles and duties of the staffs, coordinated trainings for Teachers to constantly hone their teaching skills and introduced the use of excel report sheet for recording of pupil's data.

- NCAM (National Centre for Agricultural Mechanization) *August 2015 – January 2016*

Intern

I participated in the design and fabrication of Agro-allied machines and fast-food machines. I was involved in the design and fabrication of piping and irrigation system for the NCAM Integrated Farm.

❖ EDUCATION

- University of Ilorin, Ilorin, Kwara State. (2012 – 2017)
Bachelor Degree Agricultural and Biosystems Engineering
